

FISCAL NOTE

HB 214 - SB 268

March 24, 2003

SUMMARY OF BILL: Provides for any firefighter or police officer who serves on active duty in the armed services during Operation Enduring Freedom to receive the respective salary supplement if such service prevented them from attending the required in-service training program.

ESTIMATED FISCAL IMPACT:

Other Fiscal Impact - Impact on state expenditures is estimated to be minimal as the total amount paid by the state for salary supplements is not affected. A specific dollar amount is appropriated for firefighter salary supplements and then divided evenly among those firefighters qualified to receive it and the provisions of the bill reflect the current practice of the POST commission with regard to paying the police officers salary supplement.
